Split your service fees into interest-free installments

What is QuickFee Installments?

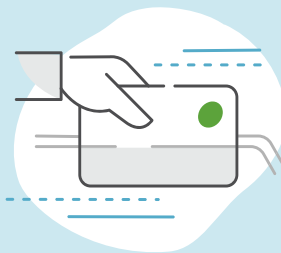

QuickFee Installments is an alternative to traditional credit that allows you to split your service fees into **4 interest-free installments**. The first installment will be taken on day one, the second in 30 days, the third in 60 days, and the fourth and last one after 90 days.

How it works

Paying with QuickFee Installments is easy, and best of all - **there are no credit checks needed**. QuickFee Installments uses the credit you already have.

Select QuickFee Installments as your payment method.

Enter amount, invoice number and your credit card information.

Invoice amount will automatically be split into 4 interest-free installments.
